Welcome to the Tamar River Sailing Club

Here are some helpful facts for new Mooring Members:

Membership:

Mooring Membership (January to December each year), with an initial Joining Fee of £20
Mooring Membership is either Full and Partner (£297) or Full Individual (£258)
(This includes storage for a tender (normally £50) and £50 Bar Vouchers (these will be available as soon as your first payment is received).

A £100 deposit and a completed mooring application will secure your name on the Mooring Holder list. The Mooring Shareholder Stake is £350 and paid over two years (£200 in year 1 and £150 in year 2). However, £250 will be returned to you when you relinquish your mooring. In 2017 other costs were maintenance £130 and mooring rental fees.

Mooring Rental is £165 for 1n 18' boat (add an additional £5 per foot for larger boats)
Lift-Out and winter storage is organised by the mooring team and based on available space (and membership seniority when the yard is at capacity). The cost is £1.09 multiplied by area in square feet. At present there is a waiting list for space in the yard.

You will be charged by invoice in January. Payment can be spread over 10 months (but the last payment must be made by 31 October each year). Members who join after the January each year will have their bill divided by the number of months left until October. A bank mandate can be supplied on request. Our bank details will be on your invoice so you can set-up payments using online banking if you prefer.
